

TECHNIQUE T2205 Tyre Changer

Introducing the Technique T2205 entry level tyre changer, ideal for small businesses and workshops where space is precious.

The power assisted tilt-back arm design with 3 position clamping jaws, powerful bead breaker and an optional 3-point air assistance arm (T2205-PLUS), all aid in changing the modern tyre easily, including run-flat tyres.

The Technique T2205 PLUS assist arms offers assistance in changing the modern tyre easily, including run-flat tyres.
