WHY TCHEK?

Tchek makes life easier for dealers and their customers. It does this by saving time, avoiding errors and bringing transparency to damage inspection, making processes more efficient and profitable.

SIX REASONS YOU SHOULD USE TCHEK

- ✓ **Fast - 80% quicker than manual inspection.**
- ✓ **Accurate – Deep learning AI algorithms.**
- ✓ **Convenient – Deployed inside or outside.**
- ✓ **Integrate – API for a seamless eVHC process.**
- ✓ **Automated - No manual errors with missed damage.**
- ✓ **Transparent – Time stamped to eliminate damage disputes**

THE DIGITAL FUTURE OF DAMAGE INSPECTION

TCHEK SOFTWARE

The cloud based software solution receives data from the Tchek inspection system which is connected via the Internet.

- ✓ **All damage by damage category reported together with 360° images.**
- ✓ **Cost calculation provides automated repair quotations.**
- ✓ **Before and after comparison for check in / check out validation.**
- ✓ **API to integrate into an existing eVHC process.**
